THE WORLD'S SIN: THE CHURCH'S SIN

One Redeemer, Christ Jesus, For Both Church and World.

The Bible Nowhere Represents the Davil With Hoofs and Horns and Forked Tail Cavorting Amid Flames Torturing Hapless Beings.

Berlin, August 18.—Pastor Russell delivered two addresses here today. We report the one from the text, "He is the propitiation for our sins the Church's), and not for ours only, but also for the sins of the whole world." (1 John 11, 2.) He declared that the

Devil of the Bible transforms himself into an angel of light in his endeavors to mislead the people of God and to make void the Word of God. The Bible nowhere represents the Devil with boofs and horns and forked tail cavorting amidst flames of hell, torturing hapless beings-and stoking fires.

The Bible hell is shool, hades-the tomb, the state of death, where both good and bad go and from which all are to be recovered in due time. The holy are all they that have part in the priests unto God and shall reign with Christ a thousand years,-Rev. xx, 6.

During that thousand years all the remainder of the race will have resurrection privileges. The world's resurrection will include not only an awakening from death, but much more. Anastasis, the Greek word for resurrection, means a raising up again-implying that the person was once up. fell down and is to be raised up again.

The Apostle declares that man fell from perfection and the raising up again is to be to human perfection. None will be forced to return, but all the willing will be assisted to obedi-ence-the reward of which will be a gradual uplifting to all that was lost in Eden and redeemed at Calvary. The disobedient, after full opportunity, the Pastor declared, will be destroyed in the Second Death, which the Scriptures symbolically represent as the Lake of Fire.-Revelation xx, 14, 15.

One Redemption-Two Salvations.

Pastor Russell called attention to nunerous Scriptures which seemed in harmony with his contention that the redemption provided in Jesus is to be tried and, because of sin, had been bumanity have never yet been individunlly tried. They have merely shared The unprecedented smoking of 11,221,in hereditary weaknesses, mental, morvolved them in sin, sorrow and pain in account for the enormous in reast. conjunction with the ultimate result. death. It is because all were thus conence that the death of the Man Jesus once for all can be justly the redemp Hon-price for the sins of the world.

but one class of humanity for whom us a guarantee that the remainder will be blessed, since "He has tasted death for every man."-Hebrews ii. 9.

Who is so blind as not to be able to see the difference between the Church and the world in our tent? It reminds passages gallons in 1997. us, said the l'astor, of Jesus' words to His disciples, "Ye are not of the world, have chosen you out of the world."

Not only the Apostles were chosen out of the world and separated by their call and spirit-begetting and developnent in the School of Christ, but all in the earth are som times heard before of the followers of Jesus throughout this Gospel Age have been sharers in this same call to separateness from the world. They walk by faith and not by sight-their faithfulness in living unto the Lord and not for self, is promised the great reward of a share in the Messianic Kingdom glory.

Then when the Church shall have reached her glory will be the time for the world to be blessed. The Church as the spiritual Seed of Abraham (Galatians III. 20) will with her Re deemer bless all the families of the earth for a thousand years and make good to them their share in the merit of Christ's sacrifice.

Geneva's Monument to Servetus.

The Pastor said that a week before to had been in Genera and looked at the monuments to Calvin and to Servetus the Christian brother whom Calvin had caused to be roasted alive by a slow fire for five hours. The latter monument had been erected by Calvin's followers to show that they had no sympathy with their teader's course in this matter.

Pastor Russell declared that Calvin had not invented the Doctrine of Election, for it was in the Kible tifteen centuries before he was born. He gave him due credit for having made al. the doctrine prominent.

With the increasing tight new ship ing upon the Bible, said Paster Itus will we see that the elect Church when united to her theaventy Brale grown will be the Elect Sport of April ham which flood has promised shall
